Principal’s Message

4/5/6 Excursion. It seems when it comes to this excursion, I am jinxed. Every way I turn I come up against obstacles. At this stage I cannot say for sure that the trip to Sydney will eventuate. If we cannot go to Sydney I will work very hard to organise another venue, perhaps Brisbane. I am trying my hardest but some things are beyond my control. As soon as I can, I will let you all know about the organisation and we can start the payment plans.

Regards,
Peggy
